As promised, we have an EZ Walk Harness Fitting Date coming up. It will be on Nov 20th beginning at 8:15 pm at Lucky Dog.

The EZ Walk fitting itself is FREE to our clients (with the EZ Walk Harness purchase). However, you do need to register in advance as we can only fit a set amount of dogs per session.

#### Private Gentle Leader Fitting and Lessons

**WINTER IS COMING...**  
It's time to address lingering leash walking issues before the ice and snow get here.

We use Gentle Leaders for medium to strong pullers as well as a tool for various behavioral issues on dogs that may not even include pulling simply for the behavioral benefits we see from this tool.

As you know from class, we only do Gentle Leader Fitting and Lessons as Private Lessons to ensure proper fit, safe handling and trouble shooting as you work your dog through the conditioning exercises. These are all essential to using the tool safely and effectively.

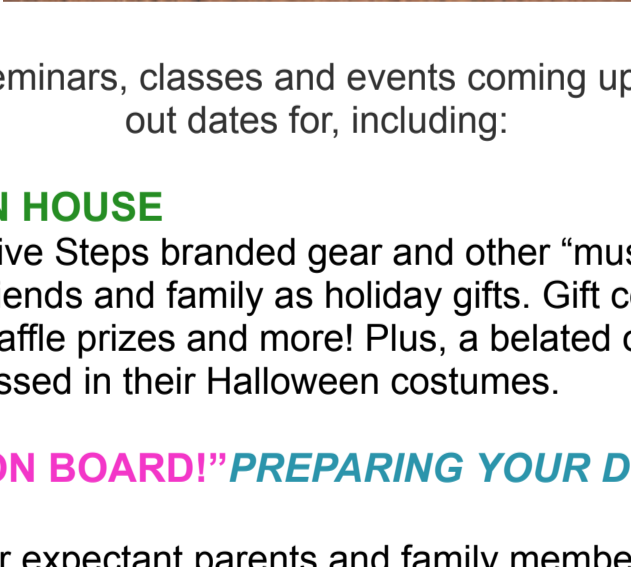

To schedule an appointment, please email us at [consultations@pawsitivesteps.net](mailto:consultations@pawsitivesteps.net) and be sure to include:

- Dog's Name
- Dog's Age
- Dog's Breed (or Mix)
- Dog's Highest Level of Courses completed with us (to date)

**FEES:**

- Private Lesson Fee \$200
- Plus, \$20 for Gentle Leader

**Gentler strides together**  
Designed by a Veterinary Behaviorist to help stop pulling

We have some great seminars, classes and events coming up that we are still ironing out dates for, including:

**OUR HOLIDAY OPEN HOUSE**  
Pick up our cool Pawsitive Steps branded gear and other "must haves" for yourselves or for your dog loving friends and family as holiday gifts. Gift certificates will be available to purchase, raffle prizes and more! Plus, a belated opportunity to bring your adorable dogs dressed in their Halloween costumes.

**"THERE'S A BABY ON BOARD!" PREPARING YOUR DOG FOR YOUR NEW BABY**  
This seminar is a *must* for expectant parents and family members who own dogs to help prepare both the dog and humans for the new baby's arrival home (or at least before the baby is mobile- if you already have had your new bundle of joy). The program's focus is on keeping good dogs in their loving homes and the new baby safe, while fostering a loving lasting relationship for years to come. It also helps dog owners identify existing behavior problems in their dogs that might have been previously tolerated that can become more of an issue (or dangerous) with the addition of a baby that need to be addressed asap. Attendees can set up Private Behavioral Consultation dates with Pawsitive Steps that evening so they can get preferred appointments to begin working with them and their dogs to address any issues asap so that good dogs can stay in their homes (avoiding surrenders to shelters and rescues when appropriate) and kids stay safe.

**RESOURCE GUARDING SEMINAR**  
Come and learn the in's and out's of why many dogs guard valued items from their humans, how to work towards remedying the situation- or PREVENT it from the start with your new dog. We discuss how the importance of proper handling of this behavior and why thinking that eliminating items they have previous guarded provides a false sense of security that could come back and bite you (literally). We will demonstrate beginner level steps to proper introduction (or re-introduction) of special items to your dog. This can also help identify existing issues that have become habitual or are at a level that they now require professional assistance. Attendees who know they are in need of professional assistance can sign up for a Private Behavioral Consultation after the event to give them their preferred dates and times available. The largest amount of our Private Consultations are the result of dog bites, and largely over something the dog has deemed special. Often, we are seeing people years after this started presenting itself and only once a bite has been reported. Please do not let your dog or family members become statistics. Attendees who know they need additional professional help can set up Private Behavioral Consultation dates with Pawsitive Steps that evening so they can get preferred appointment dates and times.

**MEET THE TRAINER**  
We will have some of these events coming up at some of our favorite locations to introduce Pawsitive Steps to those not familiar with us and the services we offer. A great opportunity for those new to dogs to find out why their vets and other pet-related, service professionals recommend us to their client

**PLUS MORE EXCITING ANNOUNCEMENTS THAT WE ARE EAGER TO SHARE!**
